

Spring Lake, MI Summer Sewcial Quilt Shows All Summer Long!

Quilt Show 1 June 4 – June 24

Quilts from Jennifer's Huzinga's personal collection

Jennifer started at Fields Fabrics in 2010 as a customer assistant and began teaching classes in 2011. In 2013 she transitioned into her current role as the service tech and Machine Department Manager. Although she has been sewing since she was eight years old, she never made a quilt until she began working at Fields. She made her first quilt in 2011 and has been quilting ever since. She sews, embroiders and serges with BabyLock machines – a Unity and an Evolution. A fan of sergers, Jennifer created her own blog about everything serging, including quilting with a serger. Check it out at www.overttheedge.blog.

Quilt Show 2 June 25 – July 15

Quilts from Karen Katje's personal collection

I learned to quilt and sew in the early 1980's. I took beginner classes through Adult Community Education in the evenings. I worked at Field's Fabrics from August 2000 to April 2017. While working at Fields, I taught several quilting classes. I am also a member of the Lighthouse Quilt Guild in Grand Haven. I purchased a used long arm quilting machine in 2018. I now do edge to edge longarm quilting for others. (Karen's business card can be found on the bulletin board at Field's of Spring Lake.)

Marcia has been with Fields Fabrics of Spring Lake since 2015. Her mother, an excellent seamstress, taught 4-H sewing and Marcia started sewing at 10 years old. She didn't make her first quilt until 2019 and now she is quite addicted to the craft and art of quilting. Marcia sews, embroiders and serges with Babylock machines, A Soprano, a Pathfinder, an Imagine and a Cover Stitch.

Quilt Show 5 August 27 – Sept 16

Quilts from Kay Hoffman's personal collection

Shortly after moving to Spring Lake from Lansing, Kay started at Field's in February 2017 and is now an Assistant Manager. She grew up in a home where her mother made all her clothes. She taught Kay to sew on a Singer treadle machine at a very young age. In 2012 a dear friend and talented quilter, introduced Kay to the art of quilting. She was hooked! Kay has expanded her interests to include serging and machine embroidery. She currently uses a Baby Lock Solaris and a Baby Lock Triumph.
